REPRESENTING THE ANGLERS OF NSW

The objectives of the RFA of NSW are to open and maintain communication and discussion with the anglers of NSW, either as individuals, associations or clubs. With this in mind the RFA of NSW is in the process of updating its database in attempt to encourage recreational fishers and the community to become involved in the well being of our states fishery.

The members and delegates to the RFA of NSW bring to the table a widely diversified portfolio of representations unequalled within NSW.

The RFA of NSW is currently represented by its members and delegates on the following committees:

National Peak Body

- **RECFISH** - generally deals with Commonwealth and cross state border fishing issues. NSW is represented on the Executive committee by two delegates from NSW ACoRF and its sub-committee's. Vice President is Bruce Schumacher Chairman of ACoRF and Hon. Secretary is Malcolm Poole, Chairman RFA of NSW.

NSW State Fishing Committees

- **ACoRF** - Advisory Council on Recreational Fishing. NSW Governments Advisory Council. The RFA is represented by one of its delegates from the Australian Underwater Federation.
- **RFSTEC** - Recreational Fishing Saltwater Trust Expenditure Committee- The RFA is the current NSW representative for State wide fishing groups.
- **RFFTEC** – Recreational Fishing Freshwater Expenditure Committee. The RFA is represented by one of its delegates from the Council of Freshwater Anglers.
- **EPTMAC** – Estuary Prawn Trawl Management Advisory Committee – The recreational representative is Malcolm Poole, Chairman of RFA of NSW.
- **EGMAC** - Estuary General Management Advisory Committee – The recreational representative is Malcolm Poole, Chairman of RFA of NSW.
- **RFSMPC** – Recreational Fishing Saltwater Management Planning Committee – One of the committee members is Malcolm Poole, Chairman of RFA of NSW.
- **RFFMPC** - Recreational Fishing Freshwater Management Planning Committee – One of the committee members is a delegate from the Council of Freshwater Anglers.

The RFA of NSW maintains regular contact with all political parties within NSW and Fisheries managers across NSW.
