Some of the monies to fund the DVDs for this Rock Fishing Safety Pack come from the prize money won in last years’ NSW Sport Safety Awards. The Recreational Fishing Alliance was awarded the Silver Medal for its part in promoting rock fishing safety in NSW. The award was supported by Peter Winn Score at Parramatta for the amount of \$2500.00.

The Rock Fishing Safety Pack can be obtained for free. If you would like a pack please email or fax Joe Garufi our Publicity Officer on the details provided below with your name and mailing address and a Rock Fishing Safety Pack will be forwarded to you. If your Club or Association feels they can distribute several packages amongst its members let us know and we will issue you with your required amount as long as stocks are available.

We also have bulk copies of the DVDs and brochures for distribution within your local communities, at tackle shops, libraries, migrant centers and council offices. If you would like some please let us know.
