

Future Leaders in Recreational Fishing North-East Region Workshop - Queensland/NSW

EXPRESSION OF INTEREST

The **Australian National Sportfishing Association Qld** and the **Recreational Fishing Alliance of NSW** with funding support from the **Fisheries Research and Development Corporation**, will be conducting a workshop specifically designed to develop the next generation of Queensland and New South Wales recreational fishing leaders. The workshop participants and mentors will explore a wide range of issues facing recreational fishing, past, present and future with a view to establishing the future direction for recreational fishing, ensuring it continues to be the popular, productive and sustainable activity for generations to come.

Expressions of interest from "younger" (nominally aged between 25-35 yrs) residents from Queensland and New South Wales, who have a passion for recreational fishing and a vision for its future.

To be considered for participation in this exciting leadership workshop at North Keppel Island Environmental Education Centre between the 17th - 20th November 2011, the selected 15 participants must have completed this application form and be available for travel between the 16-21st November, so it is important that you nominate early.

Travel, accommodation and meal costs associated with the workshop will be covered for successful candidates. More details will be provided in due course for the 15 candidates who will be offered a place at this workshop.

Please send your completed EOI form by 31st July 2011 to: Kim Martin

Post - 21 Stevenson Street Yeppoon Qld 4703 **Email** - kisu1917@bigpond.com

A confirmation email/letter will be returned to you indicating the receipt of your EOI within 7 days.

Details of nominated person: Please complete this form using CAPITAL LETTERS.
